Dear Mr Warner,

Thank you so much for your kind donation of £400.00, your on-going support is much appreciated.

The demand for our services continues to increase. Thanks to our supporters we're able to care for nearly 1,000 life-threatened children, young people and family members, including Bethany:

"We can't put into words how much of a difference EACH makes to our family. The team there are absolutely fantastic and have included Bethany in so many different events and activities; we can all see her confidence and independence has grown."

"When people ask us about EACH we can't sing higher praise than we do - for what they have been able to do for us as a family has been truly amazing and we couldn't thank them enough."

"Making a donation, however large or small, really does make a big, big difference to so many children and families and helps EACH to continue doing their amazing work." Caroline and Steve, Bethany's parents.

"The hospice is a great social environment as well as offering nursing care. Children like Lucy don't go to sleepovers or to their friends for tea, so the interaction she has at the hospice is priceless. Lucy has a great time at the hospice and we know she's well looked after. EACH helps us to create lovely memories and has played an important part in all of our lives, not just Lucy's." Heather, Lucy's mum.

Without the generosity of our supporters we couldn't do what we do – THANK YOU.

Best wishes,

Judy Strike
